HIGH PERFORMANCE  
SPORT NEW ZEALAND

# WHAT DOES HPSNZ DO?

- Works together with national sport organisations (NSOs) to enable and empower world-class performance.
- Every decision we make at HPSNZ should bring us closer to a gold medal winning performance.

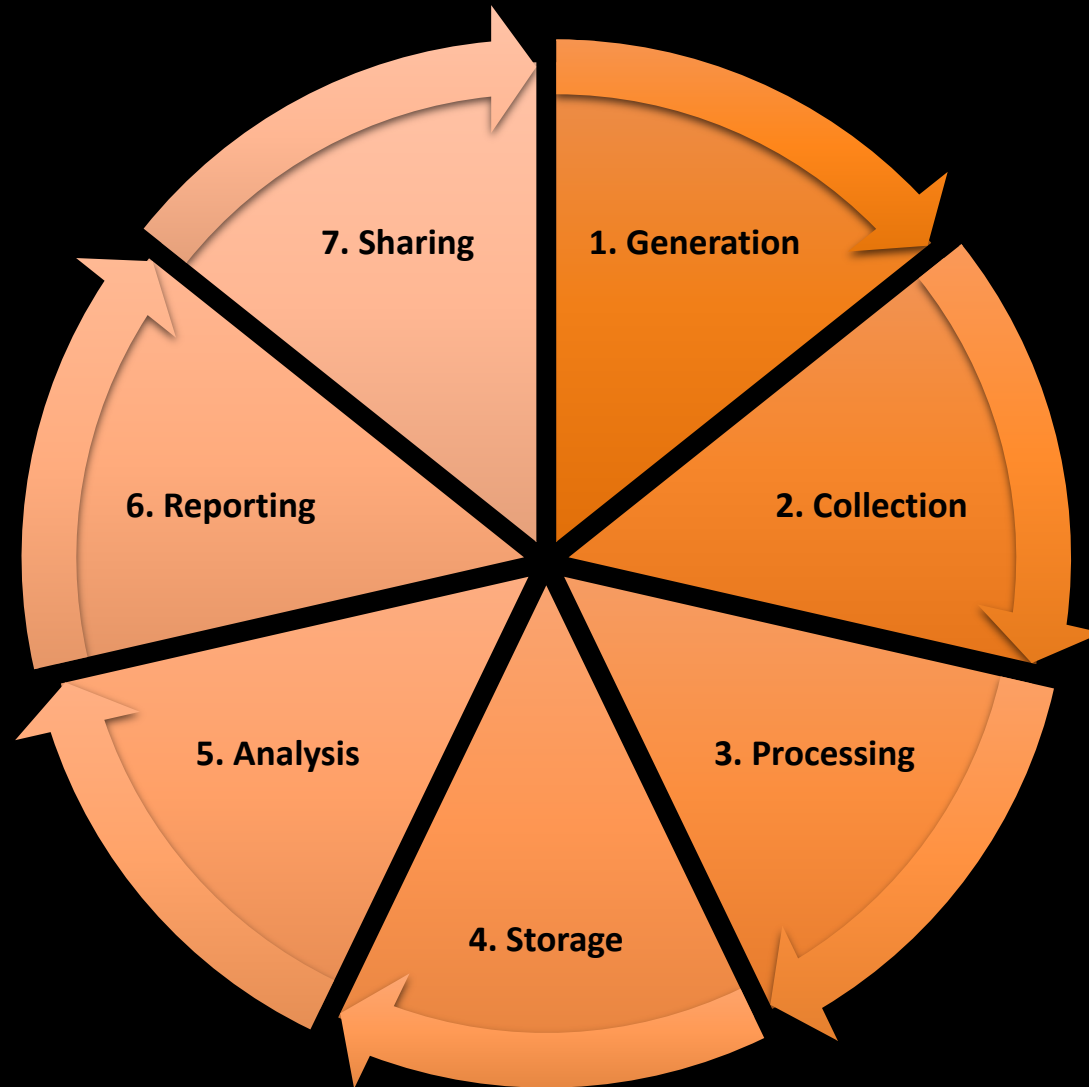

# INTELLIGENCE AND SYSTEMS TEAM

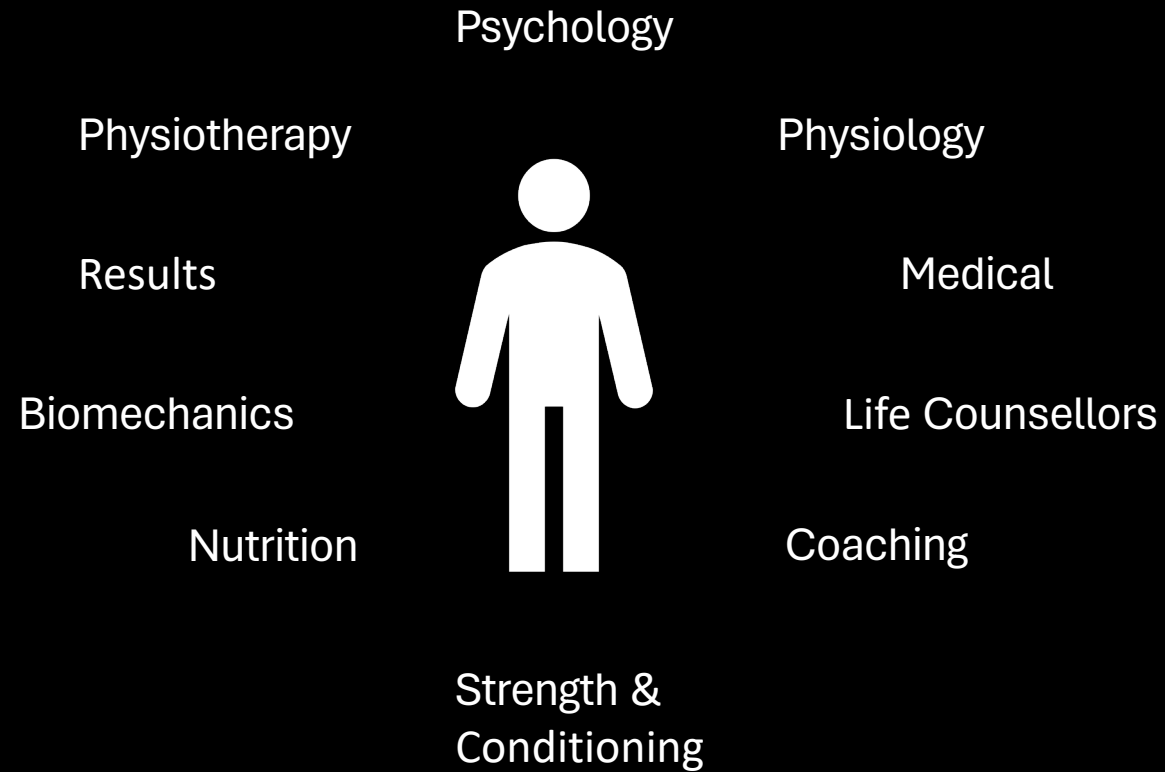

# MISSION

- Deliver a *“new end-to-end, system-wide intelligence platform and capability”* by 2032.
- Hard to define, complex
- High Performance Sport New Zealand - streamline resource allocation, facilitate partnerships with NSOs
- National Sport Organisations - ability to evaluate individual, campaign, and pathway performance
