Executive Summary

How do you
create insight that
is approachable
and engaging?

- Ask questions

Asking Questions

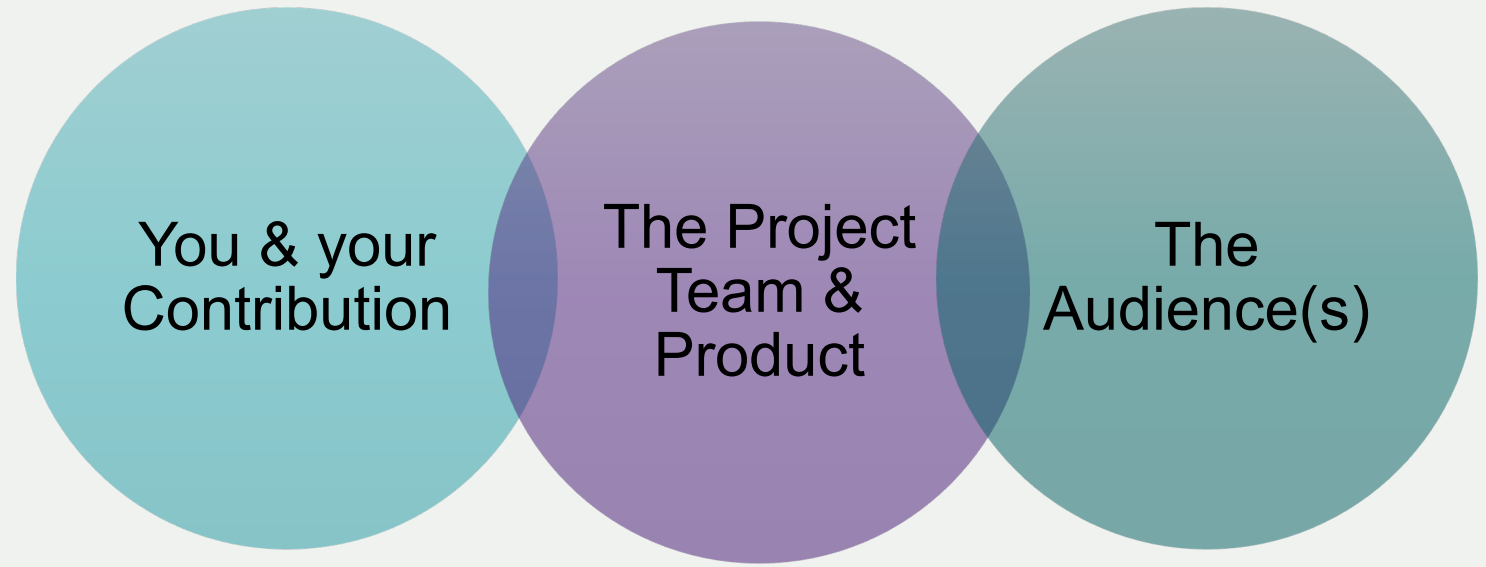

i.e. What I'll Actually be Talking About

The Who, The What-When-Where, The Why

Ask Questions to Understand your Audience

- Do you know who your audience is/are?

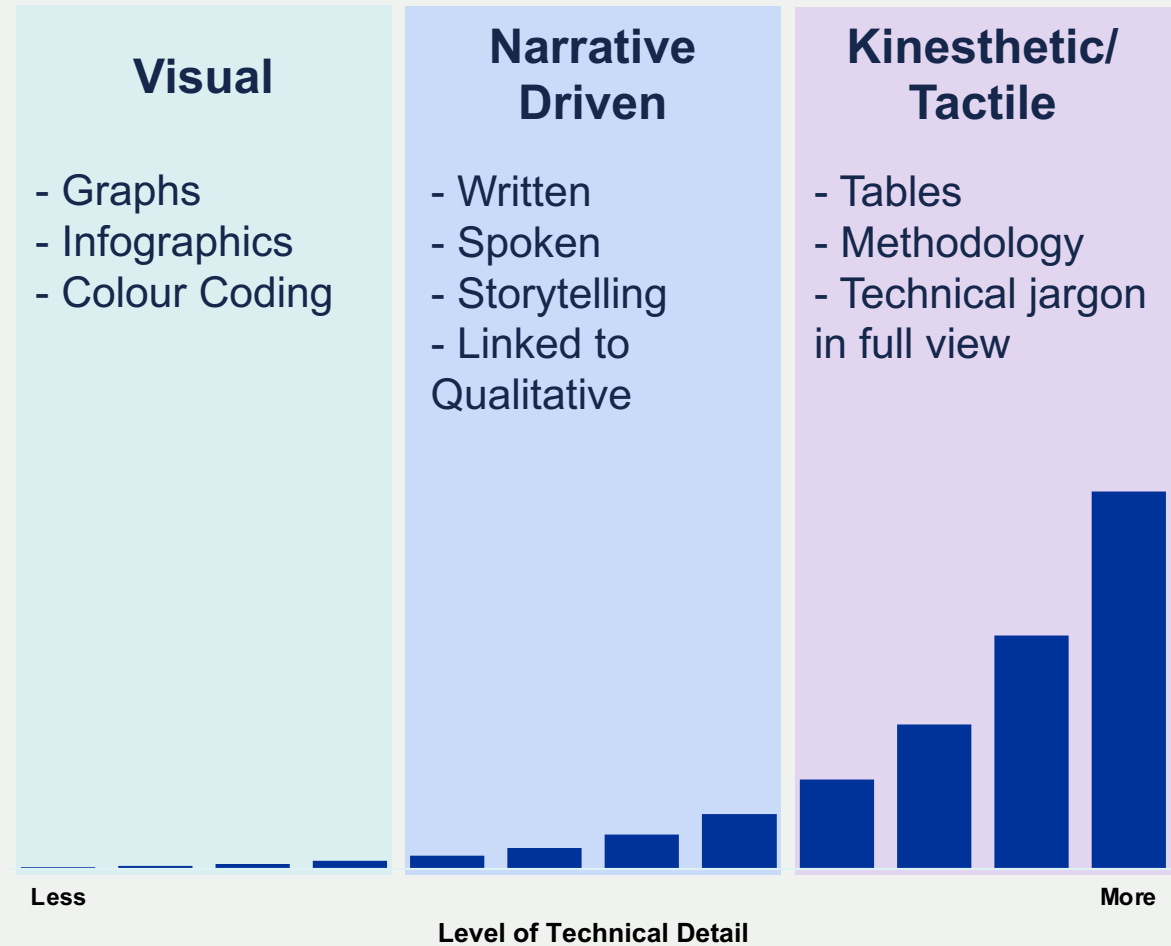

To know what your audience wants,
you need to know who they are

The Who, The What-When-Where, The Why

Ask Questions to Communicate Insight

- What does your audience respond to?

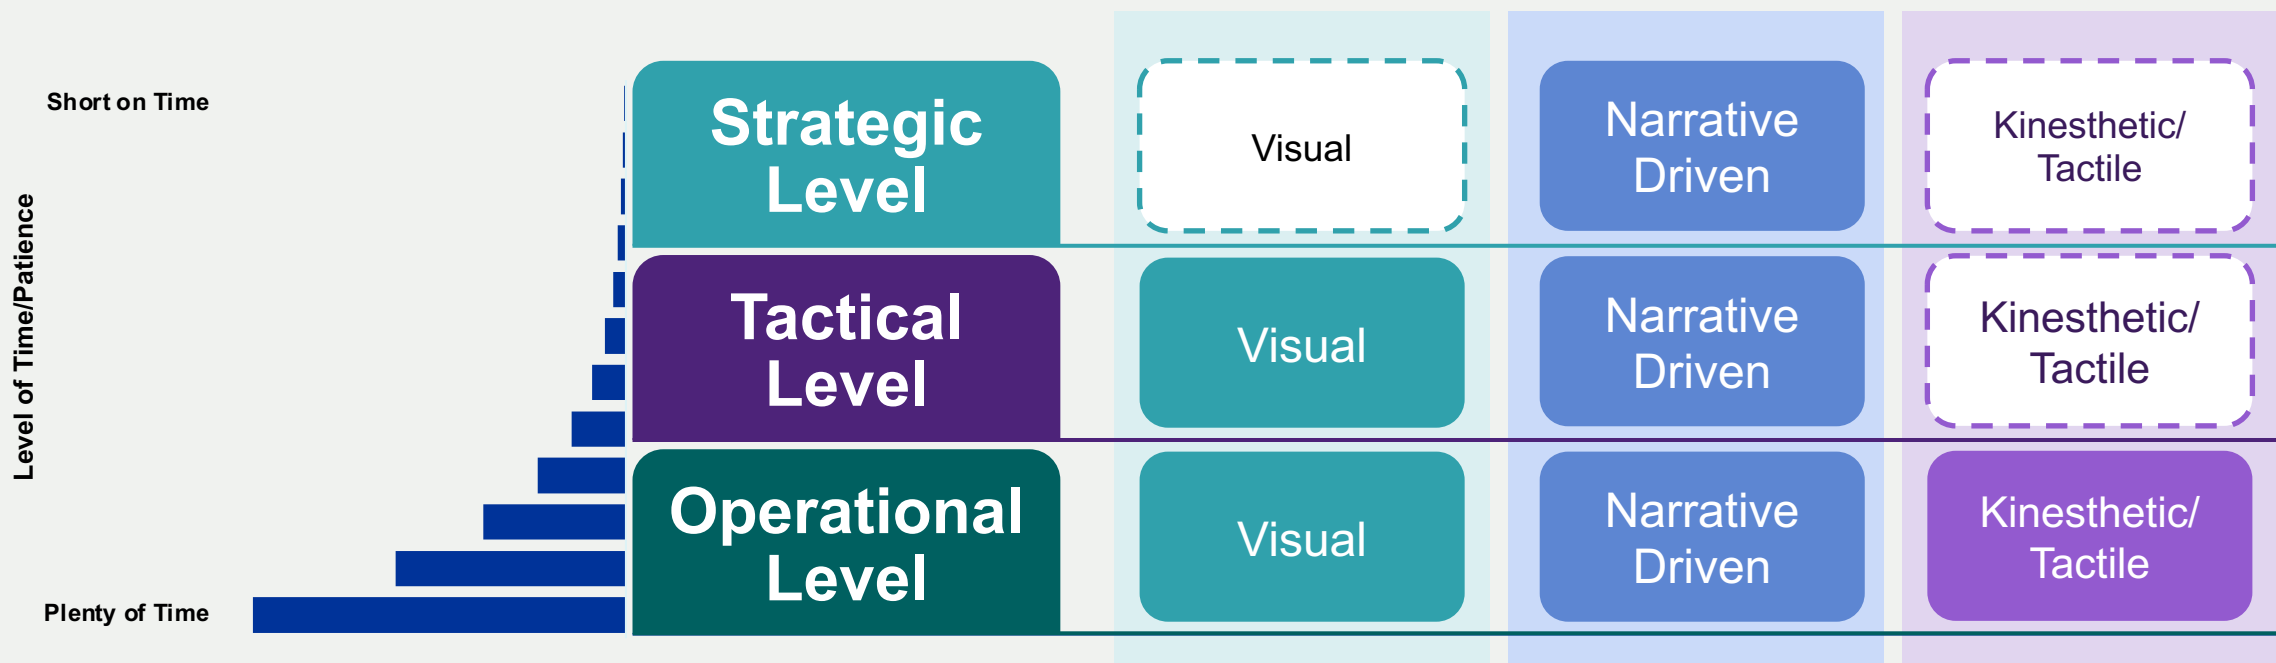

The Who, The What-When-Where, The Why

Ask Questions to Communicate Insight

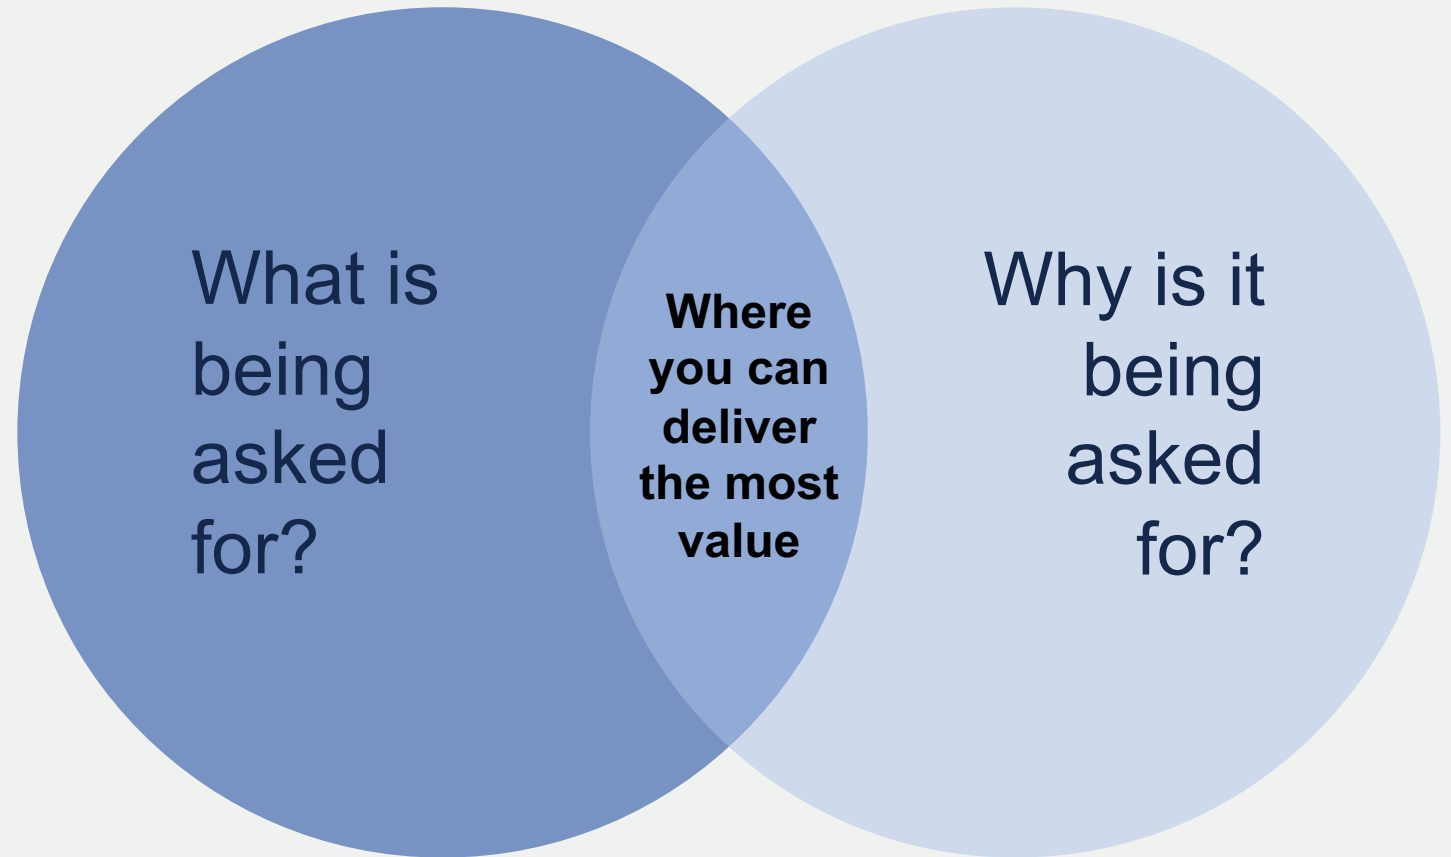

- How much of their time/attention do you have?

The Types of Communication Styles per Level

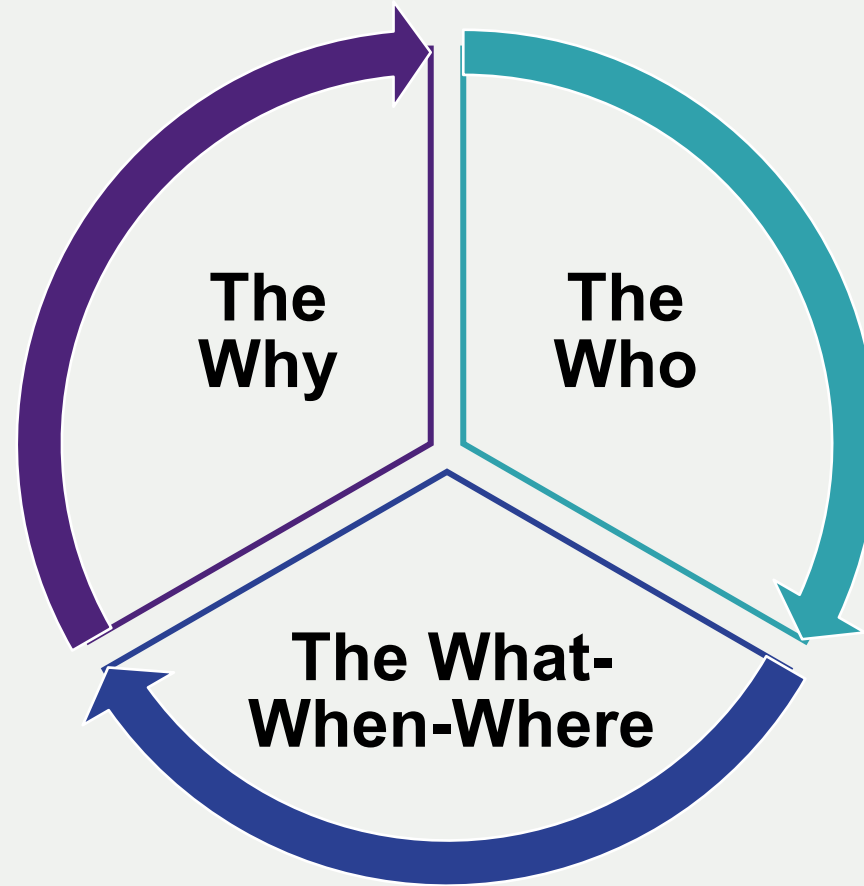

The Who, The What-When-Where, **The Why** Ask Questions to Define the Problem

- Are they asking the right question?

The Who, The What-When-Where, The Why

The Last (and Most Important) Question

- When you put all the information together, **Does it make sense?**

Thank you for your time
